~~ AUTHENTIC THAI MASSAGE ~~

We're proud to offer true Thai massage, an ancient healing tradition that combines a floral foot bath element of yoga, acupressure and energy work. Passive muscle stretching and pressure on key meridian points is combined with rhythmic and gentle rocking, which eases muscle contraction and facilitates the flow of vital energy. Therapists use feet, forearms and knees to exert gentle pressure. Your session is enjoyed in comfortable, loose-fitting clothing and performed without oils. Excellent for restoring overall vitality and healthy body balance.

~~ THE ROYAL THAI MASSAGE ~~

Royal Thai massage was developed for Thai Royalty and involves particular skill and expertise. During the treatment many specialized techniques are applied as well as gentle physical adjustments. Royal Thai massage is beneficial for overall health.

~~ TOUCH OF THAI FOUR HANDS MASSAGE ~~

Experience the bliss of two skilled therapists working in tandem to create a profoundly healing and relaxing massage. Enjoy twice the relaxation and stress relief. The perfect way to begin your vacation!

~~ THAI AROMATIC MASSAGE ~~

This Western style bodywork session uses the extended, gliding strokes of muscle easing massage while incorporating aromatic plant oils to ease chronic stress and tension. Select from Medium to Deep Tissue pressure.

~~ THE STRESS ZONE MASSAGE ~~

For immediate attention to the most common stress zone, this massage targets the upper back, shoulders and neck with focused bodywork and direct tension relief for better body movement and renewed mental clarity.

~~ TRADITIONAL THAI NECK AND SCALP MASSAGE ~~

This artistic treatment relieves tension in the myriad muscles of the scalp, neck and facial area. Relaxed facial massage creates a relaxed facial look And feel! Also, excellent for headache and insomnia relief.

~~ SACRED WARMING & COOLING STONE MASSAGE ~~

In this extended session, we combine focused massage techniques, Thai- inspired aromatic essences and temperature-contrast therapy using hot and cool stones. Warm stones release muscle tension while cool stones help calm inflammation and pain. We devote a full 80 minutes to this deeply meditative and grounding bodywork ritual.

~~ PRECIOUS PREGNANCY MASSAGE ~~

This special soothing full body session for moms-to-be provides much needed relief for key areas of discomfort during pregnancy, including the areas of low back, legs and feet. Our certified pregnancy massage specialists use gentle techniques to ensure your complete relaxation and comfort throughout. **Available after first trimester only.**

~~ LEMONGRASS THAI FOOT REFLEXOLOGY ~~

Our most luxurious foot treatment. We begin the ritual with a foot bath using your choice of aromatic bubbles. A citrus lemongrass foot scrub and a detoxifying peppermint menthol foot mask follow. The grand finale is a flowing traditional foot and leg massage that includes sen pressure point therapy and reflexology.

~~ TRADITIONAL THAI FOOT MASSAGE ~~

Traditional Thai Foot Massage is a unique healing art that combines gentle stretching with massage of the muscles, tendons, pressure points and meridians.

~~ SWEDISH MASSAGE ~~

Swedish massage is particularly to allow the body to absorb more oxygen, thereby rejuvenating the body. Swedish massage is also geared towards detoxification by increasing the speed by which the cells of the body eliminate their waste materials.

~~ DEEP TISSUE SWEDISH MASSAGE ~~

True deep tissue massage can be one of the most therapeutic and healing massages. Although not as rhythmic as other massage types, deep tissue massage interacts the most with the body's muscles and muscle groups.
